## Event site

Rotenhain is located in the centre of the Westerwald district in the Hachenburg - Bad Marienberg - Westerburg triangle. The natural leisure centre is situated in a quiet location between Rotenhain and Todtenberg. We have a huge area of 15,000 square metre at our disposal. A covered activity area of approx. 180 square metre plus terrace will be the centre of the meeting. Here you will be well catered for and can enjoy the view over the countryside and the scooters. The site offers plenty of space for tents and caravans on various levels. Electricity points are spread across the site. There is also a toilet block with showers and toilets.
